

# 2010 HFNZ NATIONAL ANNUAL GENERAL MEETING

2 pm, Saturday 27 March

Hotel Grand Chancellor Auckland Airport

Cnr. Kirkbride & Ascot Roads, Airport Oaks, Auckland

## YOU ARE INVITED TO HFNZ'S 53<sup>RD</sup> ANNUAL GENERAL MEETING.

Each year in March HFNZ must hold an Annual General Meeting (AGM).

This is an opportunity for the National Council to meet with members to report on performance and explain the organisation's strategy. The purpose of the AGM is also to elect officers for the coming year and vote on any proposed amendments to the Constitution, Life member nominations, or other issues.

The location of the AGM is rotated each between the four HFNZ regions to give local members a chance to attend. This year it is Northern's turn so the AGM is being held in Auckland.

Anyone interested in HFNZ is welcome to attend, however only current financial (individual and family) members and Life Members may vote on motions.

## ISSUES BEING CONSIDERED:

- Addition of the position of Maori Delegate to the HFNZ National Council
- Definition of a Family membership
- Definition of a Special Resolution
- Notice for meetings
- Appointment of a new auditor

A full agenda will be available online on the Events page on [www.haemophilia.org.nz](http://www.haemophilia.org.nz) before the meeting.
